## 2007 Lydenhurst Cabernet Sauvignon

CRAFTED in the same exacting manner as the Spottswode Estate Cabernet Sauvignon, Lydenhurst, our companion estate Cabernet, is created from select wine lots that are lovely and expressive.

The Lydenhurst name comes from our estate's heritage. In 1908, the property was called "Lydenhurst" in honor of the linden trees that still grace our garden. Our historic pre-prohibition stone winery building adorns the label.

Stunning aromatics of plum, butterscotch and coffee are a generous invitation to our 2007 vintage. A rich palate of fresh dark berries, cherries and vanilla lead to deliciously sweet tannins. Seamless from aroma to finish, this wine is wonderfully representative of this incredible vintage and a Lydenhurst not to be missed!

Lydenhurst Cabernet Sauvignon...the wine to drink while your Spottswode ages gracefully in your cellar!
