

SPOTTSWOODE

2008 Lydenhurst Cabernet Sauvignon

WE CRAFT and blend our Lydenhurst Cabernet Sauvignon with great care, which results in a wine exhibiting serious complexity while at the same time being warm and inviting. The Lydenhurst name comes from our estate's heritage—in 1908, the property was called “Lydenhurst” in honor of the linden trees that still grace our garden. Our historic pre-prohibition stone winery building adorns the label.

As our companion estate wine, Lydenhurst Cabernet Sauvignon enjoys the same pedigree as Spottswode and shares characteristics easily recognizable to those already familiar with the essence of our estate. This wine is a compelling offering that will entice you with its heady aromas of vanilla, black tea, and warm blackberry and dark cherry pie. These berry pie notes follow on the palate, which delivers dense, deep flavors that are laced with rich dark cocoa powder.

Lydenhurst Cabernet Sauvignon...a truly alluring and expressive wine from a singular vineyard—the Spottswode Estate!

SOURCE OF GRAPES

Spottswode Estate Vineyard
Organically farmed since 1985

RELEASE DATE

May 1, 2011
